Re: US Application No 10/597,861

International Application No PCT/CH05/000075

Filing date : 02/10/2005

Herewith, you will find the documents answering the Notification of Missing Requirements under 35 U.S.C. 371

I would like to draw your attention to the fact that the original international application received the number:

PCT/CH05/000075

But that, due to our mistake in one document sent, one of the zeros was dropped!

Could you please check that the mistake is corrected in your files?

Mr. Giordano here declares that you are authorized to charge his credit card for the amount of 245 dollars.

Please let us know if you now have all the required papers so that we don't have to ask for an extension.

Thanking you in advance.

Sincerely yours.

Giuseppe Giordano
